websites you'll adore

For the finest in European soaps and perfumes, look no further than www.smallflower.com, a lovely online boutique that blossomed from a 19th-century Chicago apothecary. Use the store's Flavor Finder to discover your favorite scent, or indulge yourself in its Bath of the Month Club.

Don't be fooled by the simple styling of www.folkartisans.com. This eclectic online gallery features a wide variety of folk art treasures.

Take a joyful journey to the heart of Italy with the fabulously artful food of Bella Cucina. For pesto, olives, and decadent biscotti, this soulful retailer is second to none. Even its website—www.bellacucina.com—is molto mouth-watering!

You can find creative rubber-stamp designs, commission custom artwork, and learn collage-making techniques at www.claudinehellmuth.com.

See just how fabulous vintage flooring can be with **LINOLEUM** (Gibbs Smith), a fascinating book by Jane Powell and Linda Svendsen. Decorating examples and information abound in this colorful text.
